This is to certify that I, Bernard Pool, being the Director of Heliconia Grove (Pty) Limited, hereby agree to ensure that I uphold all the following conditions in order to be able to accept visitors.

1. That visitors will be duly advised of all the relevant conditions to travel to Seychelles at the time of the booking, putting emphasis on the need for a PCR test within the timeframe set by Public Health Authority prior to entering Seychelles (72 hours for category 1 countries & 48 hours for category 2 countries) and in the case of category 2 countries, restriction on movement outside the hotel premises for the first 5 nights.
2. That visitors will be subjected to daily monitoring and reporting to Public Health Authority for the first 14 days of their stay and that visitors from category 2 countries will not be allowed to leave the hotel grounds for the first 5 nights of their stay.
3. That I have undertaken to ensure that adequate facilities for full board is available for visitors from category 2 countries.
4. That the relevant standard operating procedures and health protocols to include deliveries of supply and waste management have been developed and all staff are well trained and au fait with them.
5. That I have a dedicated health and safety officer or focal person who is appropriately trained, and is aware of the SOPs and protocols in place.
6. That I will provide information requested by the Public Health Authority in a timely manner and will facilitate prompt access to health services should a client or hotel personnel show any sign of illness.
7. That I can opt to continue accommodating any asymptomatic clients who test positive by isolating them in their hotel room or require the client to be accommodated at a designed Stay-Safe hotel, while following all health protocols and reporting as required by Public Health Authority.
